Hillingdon Brain Tumour & Injury Charity

Hillingdon Brain Tumour & Injury Charity is here to provide active support to anyone in the Hillingdon and surrounding areas affected by any type of brain tumour or brain injury. We aim to help patients, carers, friends and family live as full a life as possible, with the best quality of life. We also raise awareness in the local medical and general community of the symptoms and effects of brain tumours.

Services

Support Group Meetings

Our Support Group meetings offer a safe and relaxed environment to ask questions, share and compare experiences, and help each other through the issues you face every day. You can expect a warm welcome and plenty of refreshments! We frequently invite guest speakers to attend our Support Group meetings to provide expert information. Above all they are friendly and informal, mixing chat with useful information and a fair sprinkling of fun! They are **free** to attend.

Complementary Therapies

Supporting mainstream medical treatments, complementary therapies may improve your quality of life, feelings of well-being, aid relaxation, reduce tension and anxiety and generally cope with the experience of having a brain tumour.

Hillingdon Brain Tumour & Injury Group includes these therapies if requested into our post op and recovery packages. This extends to the immediate carers too. All therapies add a sense of calmness and wellbeing that is so important in a recovery plan. We have first-hand experience of our treatments and have used the companies for over 8 years. We use the therapies in all ways from pre op, post op and even terminal. When others have given up we keep trying and know from experience that it can provide a much fuller life.

Counselling

Counselling can help to talk to someone and ask the questions why has this happened and how will I cope? It can assist you with coping strategies to help you through difficult times. There are many different types of counselling and it has taken years of time and research within our group to find the right counselling that suits our group of Warriors (patient) and Angels (carers). This includes neuropsychological, counselling for children, bereavement & wellbeing.

Living with a Brain Tumour

We can provide you with all the tools you need for survivorship and how to look after yourself. Rest when you need to, keep pushing your body and mind, relaxation, alternative therapy, exercise, physiotherapy and counselling.

Other Services:

Weekly sessions of Bowls, Allotment and our Men's Group as well as monthly Golf sessions.

Stroke Helpline

If you have a question or need to talk, our confidential Stroke Helpline is here to support anyone affected by stroke in the UK, including family and friends.

Call our Stroke Helpline now on 0303 3033 100 or email helpline@stroke.org.uk

Weekly volunteer calls

If you or someone you know has had a stroke, a weekly phone conversation with one of our trained volunteers can help you to rebuild your life after stroke. Talking things through on the phone can build confidence. It can help you feel more connected, supported and able to take the next step in your recovery. For eight weeks, a volunteer will chat with you for around 30 minutes. You can talk to one of our Lived Experience volunteers or a Connect and Chat volunteer. Sign up online.

Online Stroke Activities Hub

We've launched a new Online Stroke Activities Hub, which can help support you living with the after affects of a stroke. From support groups to social quizzes, our online activities are a great way to meet new people, feel more supported and increase your confidence. We also offer Childhood stroke support, which you will need to sign up for online.

Joy Wellbeing Centre

We are a community-based charity located in the Hayes area of Hillingdon, dedicated to enhancing the health & wellbeing of residents, particularly refugees, the local community, and individuals for whom English is not their first language. Middlesex Association for the Blind

At the Middlesex Association for the Blind (MAB), we are dedicated to empowering visually impaired individuals to live independently and fully participate in their communities. We understand the unique challenges faced by those with sight loss, such as difficulties finding employment and exclusion from activities that sighted people often take for granted. Through our comprehensive range of services, we strive to break down these barriers and enhance the lives of hundreds of visually impaired individuals across Barnet, Brent, Ealing, Enfield, Haringey, Harrow, Hillingdon, Hounslow, and Richmond.

Services

Home visits

Our trained staff and volunteers provide personalised support to visually impaired individuals in their own homes, helping them navigate daily challenges and maintain their independence.

Social clubs

We organise social clubs throughout our boroughs, providing opportunities for visually impaired individuals to connect, share experiences, and engage in a variety of activities designed to combat isolation and foster a sense of community.

Rapid Response Counselling

We provide counselling and emotional support to those who are having difficulty coming to terms with or adapting to their sight loss. There is also a befriending element to the service to help reduce isolation.

Dedicated volunteer network

Our extensive network of passionate volunteers is the backbone of our organisation. They generously give their time and skills to support our service users, whether through home visits, skill-sharing, or fundraising efforts.

Digital inclusion support

We offer guidance and training to help service users access and utilise technology, enabling them to stay connected with loved ones, access information, and engage with the digital world.

Employment services

Our team works closely with visually impaired individuals to identify their skills and interests, provide training, and help them secure meaningful employment opportunities.

Braille training

We offer Braille courses to help service users develop literacy skills and access written information independently.

Mobile Resource Unit (MRU)

Our MRU serves as an outreach tool, allowing us to demonstrate and showcase relevant equipment for visually impaired individuals, empowering them to make informed decisions about the tools and technologies that can enhance their daily lives.

Adapted radios

As agents for the British Wireless for the Blind Fund, we provide adapted radios on permanent free loan to our service users, ensuring they have access to information, entertainment, and a vital connection to the world around them.
