Wednesday 6<sup>th</sup> November 2024

Dear Parents/ Carers,

## Year 3 Stone Age Activity Day – History Off the Page

We are delighted to inform you that a Stone Age Activity Day has been arranged for all Year 3 pupils on **Monday 25<sup>th</sup> November 2024**.

History Off the Page Stone Age Day is a virtual learning experience with additional interactive activities which provides opportunities for exciting learning experiences inside the classroom. The aim of the day is to broaden the children's history knowledge by immersing them into the lives of the Stone Age people. The day has been designed to develop their use of historical vocabulary, to allow them to use a variety of different materials to make a range of items and to have the opportunity to ask and answer historically valid questions.

The total cost of the day is **£8.00** which includes the cost of the virtual video provided by History Off the Page as well as all of the resources needed for the arts and crafts activities. Please complete the payment on Parent Pay.

Please see below a list of the activities the children will be taking part in.

- A carving
- A cave painting
- Woven fabric
- A coil pot
- A clay tablet with writing
- A stater (an Iron Age coin)

The pupils are encouraged to come to school in Stone Age fancy dress, as are the teachers.

If you have any questions, please do not hesitate to contact either myself or your child's class teacher.

Yours sincerely,

Mrs K Dalmedo
